

Forever Classic

It matters not what your taste in furnishing is but if it aromas distinguished elegance with a rich flavour of life, then it has to be **EMPIRE CLASSIC FURNITURE**

Many interiors are dressed for various reasons as individuals are only individuals with distinct tastes, penchants and rationales. But if you have a discerning taste for opulent interiors and are one who enjoys the finer things in life, then you'll find Empire Classic Furniture singing to your tune. Not only are their classic range series elaborate and extensive, their showrooms are wide and expansive, in addition to the head of their 'Empire', Tan Lian Chai, featuring an impressive 30 years of invaluable experience.

Empire Classic Furniture has been the principal where furniture and furnishings of opulence are concerned. The company has savoured over five years leading the luxury furnishing market, carrying a comprehensive imported range of quality classic and grandiose-inspired furniture and furnishings. Their collections of Old Victorian and English, Italian Inlay, Renaissance, Bulgarian, Paris Winter Nuwelle, Classic Rome and European Emperor as well as their modern classic series portray unrivalled excellence in quality, fine workmanship and exquisite taste.

Whether you're looking for one-off talking pieces or a corresponding set, let Empire satiate your taste for the palatial. With Czech crystal chandeliers, ornately crafted mirrors, resplendent oil paintings, solid marble embellishments, gold-tinted buffet tables, plumped-up stately leather sofas, sophisticated office furniture and many more plush furnishings, Empire has got it all for that majestic feel.

Decorate your life with distinct stylish taste – speak to the efficient personnel from Empire where knowledge is chief, and delivery and installation is fast. ■
